FRONTIER

RTP

Research Triangle Park has a strong, diversified, and growing economy, hosting more than 375 companies and over 60,000 employees. It is one of the world's largest and most successful research and development centers, and benefits from an excellent transportation infrastructure including major highway access and the nearby Raleigh-Durham International Airport as well as the steady stream of intellectual capital coming from the four major universities nearby - Duke University, University of North Carolina at Chapel Hill, the University of North Carolina, North Carolina State University, and North Carolina Central University.
